

7 ways you can help the Home

- 1.** Pray for our children and staff. We believe in the power of prayer. Every day we witness the results of prayer throughout this ministry.
- 2.** Provide a gift to the children. Your financial support allows our children to be raised in a strength-based, spiritually-grounded environment.
- 3.** Plan a trip to Waco to tour the campus and see how your prayers and gifts help to save and change lives.
- 4.** Remember the children in your will. Take care of your family first and then decide to make our 400 children part of your legacy.
- 5.** Call the Home to set up a speaking event at your church, for your Sunday School class or special program.
- 6.** Ask your local church staff if they support the Home. We receive no funds from apportionments. We depend on giving from individuals like you from churches like yours.
- 7.** Share the story of the Home with someone you know. You can help us tell others about the special work God is doing for children through this ministry.
