Speaking Events

Methodist Children's Home offers a variety of speakers for presentations to churches, Sunday School classes, service organizations and civic groups. The following is a list of available speakers for your group, as well as the types of programs we typically participate in throughout Texas and New Mexico.

SPEAKERS

Campus Staff

Methodist Children's Home administrators and development officers are available to share their personal experiences with the children as well as facts about the residential program, Boys Ranch and foster care program. Speakers communicate the mission of Methodist Children's Home and provide a biblical message to help illustrate the work God is doing in the lives of our children and youth.

Ambassadors

One or two students may accompany staff members to various speaking events. These students are selected based on their accomplishments while in our care, as well as their abilities and desire to communicate their testimonies. The Ambassadors theme verse is 2 Corinthians 5:17 as they testify to their new life in Christ and the Home's role in this experience.

College Students
