

SPEAKING EVENT FIVE TALKING POINTS

Additional Discussion Points within the Five

1. Discuss MCH at-risk youth, residential campuses and the 12 outreach offices in Texas and New Mexico.
2. Discuss how the Home's mission is strength-based and how success is measured.
3. Discuss how the organization is growing and the Home now serves over 1,400 kids.
4. Discuss apportionments and why the Home does not accept them; that MCH receives less than 2% of its funding from families; and the endowment.
5. Discuss how others can contribute: the Daily Needs Fund, the Sunshine Club, or a special fund or project. Ask for continued prayer, discuss how others can advocate for at-risk kids, and include the opportunity to schedule campus tours.
